EDDIE STINSON BREAKS WORLD'S FLYING RECORD

Arvister Well Known in Maysville
Breaks World's Flying Record
At Kinross Flying Field
On Friday.

Maysville, L. I., Dec. 30. — The Larsen monoplane piloted by Edward Stinson, which broke the world's continuous flying record of 24 hours, 19 minutes and 7 seconds, descended shortly after 11:15 a. m., today, after having been in the air 28 hours 19 minutes and 35 seconds.

The old record was made in France in June, 1920, by Lucien Boussoir and Jean Bernard.

Stinson and his mechanic, Lloyd Bernard, began their flight at Roosevelt field in a snowstorm at 8:58 a. m., yesterday.

Stinson was forced to descend because of a faulty oil connection with which he and his mechanic had battled since 3 o'clock this morning. They still had "gas" enough to have flown until sundown.

The pump used to inject oil into the lubricating system from the auxiliary oil tank, went out of commission at 3 o'clock. The fliers punctured the tank, set up a temporary tube and began feeding the lubricating system by hand, taking turns at the controls of the plane and at the oil tank. Both men were almost blinded by oil when they descended. In addition they were suffering intensely from the bitter cold. Three fingers of Stinson's right hand and one on his left were frozen.

The fliers wore no electric suits, depending upon the heat from the exhaust pipes in the pilot's cab to keep them warm. The machine is equipped with one 185-horse-power motor. Every ounce of unnecessary weight was stripped before the flight. About 350 gallons of gasoline and 28 gallons of oil were carried.

Captain Eddie Stinson is well known and has many personal friends in Maysville. It will be remembered that more than a year ago he came to Maysville with two planes and carried passengers from the brick company's field. Among the many local passengers who were taken up by Captain Stinson was Prof. W. J. Caspinger, of the Maysville public schools, who wrote an interesting account of his experience for the Public Ledger.

LOCAL MAN TAKES BRIDE

Mr. Otis McCarthy, son of Mr. and Mrs. Charles McCarthy, of East Second street, was recently married to Miss Ada Jones, of Cold Springs, Ky. Mr. McCarthy and his bride are here for a visit with his parents and are receiving the hearty congratulations of his many friends.

The latest photograph records are here. Come in and hear them. Richard Spangler Co., Nelson building. 14

BUSY WEEK OF CIRCUIT COURT IS APPARENT.

It appears that next week will be a very busy week in the Mason Circuit Court. Several important cases are set down on the calendar for trial that will probably come to a trial. The trial of Arthur Glascock, of Fleming county, on an indictment for manslaughter, is set down for trial on Monday.

MOVING DAY FOR OFFICIALS STEPPING OUT FOR NEW ONES

Retiring City and County Officials
Moving Out to Surrender Their
Offices to Newly Elected
On Monday.

Saturday is moving day for city and county officials who are retiring from office and it has been unusually busy for city officials who have spent the most of the day in cleaning their offices and removing all of their personal belongings and making ready for the new officials who take their office on Monday morning.

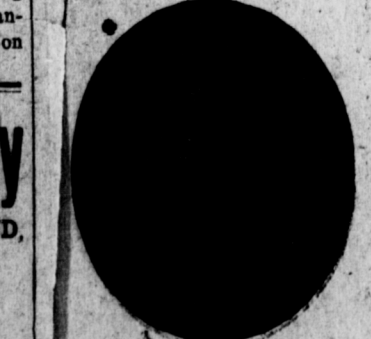

MAYOR-ELECT J. H. SAMUEL
Mayor-elect J. H. Samuel will become the city's new Chief Executive on Monday morning. Mayor, Thomas M. Russell, retiring Sunday at midnight. Mayor-elect Samuel will report at his office in the court house at the appointed time Monday morning and after taking his oath of office will begin on a large amount of city business which has been piling up for the past month for his disposal.

RETIRING MAYOR T. M. RUSSELL
Mayor Thomas M. Russell retires from office as one of the city's most popular officials. His term of office was probably one of the most trying through which any official has passed in the history of the city. The great World War tore things in Maysville so that conditions were quite trying and yet the administration piloted the municipal ship safely through to the war's conclusion. Mayor Russell has been liberal and yet conservative and it can be truthfully said that his administration of civic affairs has been a successful one despite serious handicaps.

County Clerk J. J. Owens closed his office at noon Saturday in order that he and his deputies might check-up the office and make out the necessary reports for the state at the close of the month. Mr. A. M. January will take charge of the County Clerk's office Monday morning.

Mayor-elect Samuel, who takes control Monday morning, comes to this important office well qualified for the heavy duties. His judgment on important matters is considered safe by the public. He is a man of unusual executive ability and has had four years of experience as President of the City Board of Education. At the beginning of his administration, the whole public feels confident and wishes the new administration the greatest of success. To this end everyone should lend him their heartiest support.

JUDGE-ELECT H. C. CURRAN.

After twenty years of continuous service on the City Court bench, Judge John L. Whitaker surrenders his bench to Judge-elect Harry C. Curran. Judge Whitaker has served the public well and turns his office over to a man in whom the public has the greatest confidence to mete out justice tempered with kindness.

Chief of Police Harry A. Ort will retire and Police Sergeant James M. Ort steps up into the control of the department. Chief Ort, recognized in all quarters as a detective of the first rank and a terror of evil doers, retires with the thanks of the public for a fearless administration, while Mr. Mackey comes to the desk backed by the confidence of the public that he will enforce the city's laws.

In the county offices there are but few changes. County Clerk James Owens turns the office over to Mr. Andrew M. January on Monday morning. Mr. Owens has made an efficient officer and Mr. January is expected to be one of the most popular and efficient officials the county has ever known.

Sheriff Charles E. Galbreath surrenders his office to Mr. C. M. Doran.

GUARDS AT LOOTED DISTILLERY OUSTED.

J. W. Eberbaker and John H. Meredith, guards at the Eminence distillery, which was robbed of 333 cases of whisky Monday night, were ordered dismissed from the service yesterday by Robert H. Lucas, Collector of Internal Revenue, following the report made to him by H. H. Wiehe and J. W. Ellis, special gaugers, who were sent to the distillery to conduct an investigation.

Mr. Lucas said he dismissed the men because of their failure to patrol the property properly and because of their disobedience of his orders to keep firearms always on their persons.

LARGE CROWD SEES MAN CLIMB BUILDING.

Quite a large crowd gathered in Second and Court streets Saturday afternoon and watched "Jack" Williams, the Human Fly, climb the five story State National Bank building. Williams has a world-wide reputation as a building climber. He is giving a vaudeville act with the assistance of his wife at the Washington theater.

COUNTY CLERK OWENS CHECKING UP.

County Clerk J. J. Owens closed his office at noon Saturday in order that he and his deputies might check-up the office and make out the necessary reports for the state at the close of the month. Mr. A. M. January will take charge of the County Clerk's office Monday morning.

1,000 C. & O. SHOPMEN TO RESUME WORK TUESDAY.

Huntington, W. Va., Dec. 30. — One thousand of the 2,700 employees laid off at the Chesapeake & Ohio Railroad shops here December 17 will be recalled to work next Tuesday, it was announced officially tonight.

who has served for the past four years as First Deputy. Mr. Galbreath has made Mason county one of the best sheriff's the county has ever known and from Mr. Doran's record as deputy and the public's knowledge of the man himself, everyone feels confident that he will go down in record as another one of the county's best.

Mr. Stanley Brady resigns as Tax Commissioner and is succeeded by Mr. W. F. Steel. Mr. Brady served the county well and Mr. Steel has the qualifications to do likewise.

Jailer Watson is moving from the county jail and Jailer-elect William Wheeler is moving in to take charge of the bastille tonight.

KENTUCKY LEAF CROP FAIR SHORT

Production Less Than That of Any
Year Since 1918, U. S. Dept.
of Agriculture.

Washington, Dec. 30. — Kentucky's 1921 tobacco crop is smaller than that of any year since 1918, according to the estimate issued today by the Department of Agriculture.

Tobacco grown in this state this year amounted to 325,710,000 pounds as compared with 467,500,000 pounds last year.

These figures include all classes of tobacco, as the Government does not compile estimates of production by types.

For the ten years preceding 1921 the annual production of tobacco in Kentucky was as follows:

467,500,000 pounds in 1920; 498,000,000 pounds in 1919; 470,400,000 pounds in 1918; 441,000,000 pounds in 1917; 435,600,000 pounds in 1916; 356,400,000 pounds in 1915; 394,000,000 pounds in 1914; 281,200,000 pounds in 1913; 343,380,000 pounds in 1912; 303,500,000 pounds in 1911 and 425,250,000 pounds in 1910.

The average yield of tobacco per acre in Kentucky this year is estimated at 846 pounds, compared with 850 pounds in 1920.

Kentucky's total acreage in 1921 is estimated at 384,000, compared with 550,000 in 1920. During the last decade only twice, in 1913 and in 1911, has the acreage planted in tobacco in Kentucky been less than the acreage planted this year.

JUDGE WILL NOT TRY CASE ON LAST DAY.

There was not a single case on Saturday's dockets in the local Police Court and Judge John L. Whitaker adjourned his court finally without a trial.

NO MAIL MONDAY.

There will be no rural delivery of mail Monday—New Year's Day.

WOMEN QUIZZED.

New York, Dec. 31. — Fifty women were being questioned by police today in connection with the death of two Chinese in an opium den frequented by the "limousine trade."

The bodies of the Chinese, Tom Sai and Tom Shaw, were found in their apartment. Each had been stabbed many times.

An opium pipe lay on the floor, and in one room was a "hop kettle" with a flame burning under it.

Detectives also found a list of names of 50 American women. They are questioning them in belief that the death of the Chinese might have been paid for by a victim who feared blackmail.
